Overview

The NCC Education Level 3 Diploma in Business is a comprehensive and flexible qualification that enables learners to develop in-depth knowledge and skills across key areas of business. The skills acquired are highly transferable across industries and sectors, preparing learners to add significant value in a professional workplace.

This Diploma pathway provides a robust foundation, equipping learners with the essential competencies needed to progress to further study or confidently enter the workplace with a well-rounded understanding of business principles.

Entry Requirements

Learners should have completed their GCSE/IGCSE 'O' Levels or an equivalent* qualification in their own country and passed 4 subjects with minimum grades of 'C', '4' or equivalent* in each. These should include Mathematics and English.

The NCC Education Level 3 Business suite syllabus and assessment is suitable for candidates aged 16 and above (at Key Stage 4 of the English national curriculum) as well as older (including adult) learners.

Have a valid score of 5.5 or above in the International English Language Testing System (IELTS) examination or equivalent for students whose first language is not English.

Alternatively, students can take the free NCC Education Higher English Placement Test which is administered by our Accredited Partner Centres.
